SKILLS AND COMPETENCIES ACQUIRED

Computer Skills: Ms office Software(Word, Excel, PowerPoint and access)

Communication Skills: Both Verbal and Written

Problem Solving

Ability to work under pressure and work after hours

Ability to deal positivity with problem and Challenges

Comfortable to work with a group & as an individual

Able to summirize and Clarify

Well develop verbal and written communication skills with the ability to compile effective, basic reports and statestics.

Interpersonal

I have been developing my interpersonal skills since becoming a student assistance which involved leading a class,helping student through discussions and tutoring them for better understanding. This skill has further been enhanced through the leading of a Bible study group and working with the people in the various places of employment that I have been and highly organised and able to maintain a highly stand of discipline

INTERESTS

Actively involved in the Church and widely read with special emphasis on history and politics. Very well-travelled. Love to exploring new idea and information. Enjoy to work in groups and solve problems and analysing given questions
